- › Sunset Boat Ramp Advisory Task Force
- › Town and Gown Committee
- › Wetlands Board
- › Youth Commission

Appointment Timeline

The general process for selecting candidates for appointment to City Council boards, commissions and committees for the City of Hampton is as follows:

- › A citizen expresses an interest in serving on a board, commission or committee.
- › The Hampton citizen reviews the list of Hampton boards, commissions and committees, and views the information about the group. There is access to the board bank application if appropriate and a link to a website if available. The citizen reviews any particulars regarding a committee, commission, or board before applying. When ready, the citizen applies using the application available on each board, commission, or committee page.
- › A list of interested candidates is kept on each board, commission and committee. As applications are received they are reviewed and the individuals' names are added to the board, commission and committee list in which interest was expressed.
- › When a vacancy occurs on these boards, the clerk will search the lists, and the names of interested candidates are forwarded to the City Council for consideration of appointment. Applications of individuals are available to the council upon request.
- › Interviews are not held.
- › Following appointment to a board, commission or committee, the individual is notified in writing of the appointment. Information provided includes the length of term, expiration date and a contact person.
